Amendment of 83 Ill. Adm. Code 730

---

On November 4, 2010, the Commission entered an order authorizing the submission to the Joint Committee on Administrative Rules of the second notice of the proposed amendment of 83 Ill. Adm. Code 730, " Standards of Service for Local Exchange Telecommunications Carriers." The purpose of the proposed amendments is to update the standards of service for local exchange carriers.

The Joint Committee considered these amendments at its meeting on March 8, 2011, issuing its certification of no objection at that time. This action ends the second notice period, and the Commission can now adopt these amendments.

The attached order adopts the proposed amendments with an effective date of June 1, 2011. I recommend its entry.
